

a. Basic Science Departments

Faculty Numbers

2004-05

Department*	Full-Time Faculty†					Part-Time
	Prof	Assoc	Asst	Inst/Other	Vacant	
Anatomy (included in Radiology)	0	0	0	0	0	0
Biochemistry	4 (18)	0 (6)	1 (5)	0 (1)	0	0
Microbiology	3 (26)	2 (6)	0 (4)	0	0	0
Pathology**	0 (8)	0 (7)	0 (6)	0 (8)	0	0
Pharmacology	5 (12)	1 (5)	1 (3)	0	0	0
Physiology	7 (14)	5(12)	0 (3)	0	0	0
Other	13	7	7	4	0	9

*Replace indicated department names with names used at your institution, as needed.

**Report Pathology data here only if you report Pathology as a basic science department in the LCME Part IA Annual Financial Questionnaire (see standard ER-2 in Section V)

†The first number denotes CHM faculty. Numbers in parentheses denote total departmental faculty.

NOTE: There are four units within the Dean's office that are listed in standard ER-3c as being part of Basic Science, but that is for budget purposes only. They are not itemized in this area.

Teaching Responsibilities

Department*	Number of Courses Taught per Year*					
	Medical Students	Graduate Students	Dental Students	Nursing Students	Allied Health	Undergraduate (baccalaureate)
Anatomy	1 required	3	0	0	0	3
Biochemistry	2 required	21	0	0	0	16
Microbiology	1 required	8	0	0	3	18
Pathology***	1 required 2 electives					
Pharmacology	1 required	12	0	1	0	3
Physiology	2 required	5	1	0	0	25
Epidemiology	2 required	26	0	0	0	2

*List only courses for which departmental faculty have primary and ongoing responsibility (e.g., reporting final grades to the registrar)

** Replace indicated department names with names used at your institution, as needed.

***Report Pathology data here only if you report Pathology as a basic science department in the LCME Part IA Annual Financial Questionnaire (see standard ER-2 in Section V).

Academic Year 2006-07

b. Clinical Departments

Faculty Numbers

2004-05

Department*	Full-Time Faculty					Part-Time	Volunteer
	Prof	Assoc	Asst	Inst/Other	Vacant		
Anesthesiology							
Dermatology							
Family Medicine	8	3	12		1	4	435
Medicine	12	9	9		7	5	815
Neurology	0	0	0				61
Ob/Gyn 7/04-12/04	2	4	5				198
1/05-6/05	1	2	1		7		
7/05-6/06	1	3	4		3		
Ophthalmology							
Orthopedics							
Otolaryngology							
Pathology**							
Pediatrics	12	7	8		5	1	296
Physical Medicine							
Psychiatry	4	4	4	0	2	0	183
Pub Hlth/Prev Med**							
Radiology	2	4	7	0	1	1	145
Surgery	4	4	4	0	0	0	524
Urology							
Other (specify)							

*Replace indicated department names with names used at your institution, as needed.

**Report data for these departments here only if you report them as clinical departments in the LCME Part IA Annual Financial Questionnaire (see standard ER-2 in Section V).

NOTE: In 2004-05 we are reporting East Lansing faculty only as in years past.

Teaching Responsibilities

Department**	Number of Courses Taught per Year*				
	Medical Students	Dental Students	Nursing Students	Allied Health	Other (specify)
Family Medicine	1 required 8 electives	0	0	0	0
Medicine	2 required 16 electives				

Academic Year 2006-07

Neurology	1 required 1 electives	0	0	0	3 1 undergrad 2 graduate for Epi students
Ob/Gynecology	1 required 5 electives	0	0	0	0
Pediatrics & Human Dvlp.	1 required 8 electives	0	0	0	0
Psychiatry†	1 required 2 electives	0	0	0	0
Surgery	2 required 11 electives	0	0	0	0
Radiology†	1 required 1 elective	0	0	0	0

*List only courses or clerkships for which departmental faculty have primary and ongoing responsibility (e.g., reporting final grades to the registrar)

**Replace indicated department names with names used at your institution, as needed.

***Report Pathology data here only if you report Pathology as a basic science department in the LCME

Part IA Annual Financial Questionnaire (see standard ER-2 in Section V).

† Note: Radiology and Psychiatry teach for CHM and COM but the students are not on the rotations at the same time.

Academic Year 2006-07

a. List the major permanent committees of the medical school. Note whether each committee is charged to make recommendations (R), empowered to take action (A), or both (B).

Committee	Number of Members	Appointed or Elected by:	Reports to:	Authority (R/A/B)
College Advisory Council	15	Elected – Dept.	Dean	Advisory
Admissions	10	Elected – College	Assistant Dean for Admissions	Shared Resp.
Graduate Studies and Research	10	Elected – College	Associate Dean for Research	Advisory
Continuing Medical Education	10	Elected – College	CME Director	Advisory
Curriculum	15	Elected – College	Associate Dean for Academic Affairs	Advisory/ Shared Resp.
Student Performance	10	Elected – College	Associate Dean for Academic Affairs	Advisory/ Shared Resp.
Reappointment, Promotion & Tenure	12	Elected – College	Dean and Associate Dean for Faculty Development	Advisory
Dean’s Student Advisory	8	Elected – Students Appointed – Dean (additional students to ensure representation)	Dean	Advisory
