Subject: More documents required application process

Dear Dr. Lajos Tima:

Even though your institution is established its eligibility status on month to month basis due to late submission of the eap, we haven't completed the application review process. I am doing that review process for recertification now. I noticed that few documents and information are missing.

Mainly two years audited financial statements and compliance audits as you mentioned in your cover letter are missing. I released your application to make necessary changes in Section I #s 56 and 57 to provide the data as it indicated the letter we sent in the latter part of the year 2000 regarding the ECFMG tracking system to collect that data. Section L, the original signature is missing. Pull that page and the get the signature and send it by fax and the original by mail.

If you have any question please contact me either by phone at (202) 377-3167 or by e-mail: Joseph.Vetticka@ed.gov
Our Fax NUMBER IS (202)275-3486.

PROGRAM PARTICIPATION AGREEMENT

The PPA contains the agreement between Pecs Tudományegyetem AOK (Pecs University Medical School) and the Secretary concerning the Institution's participation in the Federal student financial assistance programs (Title IV, HEA programs).

CERTIFICATION FOR TITLE IV, HEA PROGRAMS

As explained in the PPA, Title IV, HEA programs administered by participating educational institutions are subject to applicable laws, regulations, and guidelines. Listed below is the appropriate telephone number for further information on the HEA program for which Pecs Tudományegyetem AOK (Pecs University Medical School) is approved:

- Federal Family Education Loan Program (202) 377-4008

Participating educational institutions will be reviewed at least once every six years to determine whether the institutions remain administratively capable and financially responsible to administer Title IV programs and funds.

REPORTING AND REAPPLICATION REQUIREMENTS

The Institution must report promptly to the Department certain changes and actions that affect the Institution's participation approval, as specified in 34 CFR 600 and 668, including, but not limited to:

- Change of name and/or address;
- New contract or significant modification of existing contract with a third party servicer; or
- Change in exercise of a person's substantial control over the Institution, e.g., a change in the chief executive officer or members of the board of trustees or board of directors.

If the Institution fails to report any such changes within ten days after the change occurs, the ability of the Institution to administer the Title IV student financial assistance programs properly will be called into question. As a consequence, we will consider whether it is necessary to monitor the Institution's receipt of Federal funds more closely. Failure to report changes within the time frame required may also result in an adverse action being taken

against the Institution in accordance with 34 CFR 668, Subpart G.

Automatic Termination of Approval

This Approval for Institutional Participation automatically terminates on the happening of any of the following events:

- June 30, 2008
- The date the Institution loses the legal authority to offer programs of postsecondary education in the Country in which it is located;
- The date the Institution ceases to offer all approved postsecondary instruction;
- The date the Institution merges with another institution;
- The date the Institution undergoes a change in ownership resulting in a change of control;
- The date the Institution files for bankruptcy; or
- The date the Institution otherwise ceases to meet the definition of an eligible institution of higher education.

One of the institutional eligibility requirements is that the institution must admit as regular students only persons who have a high school diploma; have the recognized equivalent of a high school diploma; or are beyond the age of compulsory school attendance in the State in which the institution is physically located (see 34 CFR 600.4, 5 or 6). This means if the student is not yet beyond the age of compulsory school attendance in the State in which the institution is physically located, the institution can only enroll the individual as a regular student if he or she has a high school diploma or its equivalent.

One of the student eligibility requirements is that an eligible student is one who is not enrolled in either an elementary or secondary school (see 34 CFR 668.32). This means that an institution cannot accept as a regular student at this school, an individual who is also enrolled at the same time in elementary or high school.

The execution of this Agreement by the Institution and the Secretary is a prerequisite to the Institution's initial or continued participation in any Title IV, HEA Program.

The postsecondary educational institution listed above, referred to hereafter as the "Institution," and the United States Secretary of Education, referred to hereafter as the "Secretary," agree that the Institution may participate in those student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs) indicated under this Agreement and further agrees that such participation is subject to the terms and conditions set forth in this Agreement. As used in this Agreement, the term "Department" refers to the U.S. Department of Education.

SCOPE OF COVERAGE

This Agreement applies to all locations of the Institution as stated on the most current

ELIGIBILITY AND CERTIFICATION APPROVAL REPORT issued by the Department. This Agreement covers the Institution's eligibility to participate in each of the following listed Title IV, HEA programs, and incorporates by reference the regulations cited:

- **FEDERAL FAMILY EDUCATION LOAN PROGRAM, 20 U.S.C. 1071 et seq; 34 CFR Part 682.**

PROVISIONAL CERTIFICATION

This provisional certification is granted for a limited period to permit the Institution to participate in the Title IV, HEA programs referenced in this Agreement. During the period of provisional certification, the participation of the Institution will be subject to revocation for cause. Cause for revocation includes, without limitation, a failure to comply with any provision set forth in this Agreement, a violation of Department regulations deemed material by the Department, or a material misrepresentation in the material submitted to the Department as part of the Institution's application process for this certification. The Department in its sole discretion may provide the Institution with an opportunity to cure any such failure, may place the Institution on reimbursement funding pending a decision regarding revocation of this Agreement by a designated Department official, or may suspend the participation of the Institution pending a decision by the Department regarding revocation of this Agreement. In the event the Department chooses to revoke this Agreement and the Institution's participation in the Title IV, HEA programs, the Institution will have the right to show cause why this Agreement should not be revoked by presenting its objections to the designated Department official in writing. The Institution agrees that this opportunity to show cause, and not the procedures in 34 CFR 668 subpart G, shall be the sole administrative appeal regarding such revocation. The decision by the designated Department official will constitute the final agency action.

Special Requirements for Substantial Changes Made During Term of Provisional Certification

Any institution, whether provisionally certified or generally certified, must apply for and receive approval by the Secretary of any substantial change (as hereinafter identified) before it may award, disburse or distribute Title IV, HEA funds based on the substantial change. Substantial changes generally include, but are not limited to: (a) establishment of an additional location; (b) change in ownership, merger or change of type of institution (such as conversion from proprietary to private nonprofit); (c) increase in the level of academic offering beyond those listed in the Institution's Eligibility and Certification Approval Report (ECAR); (d) addition of any nondegree or short-term training program that is not within the immediate scope of programs listed in the ECAR; (e) change in the form of educational measurement; (f) change of Country authorizing agency or of primary accrediting agency; or (g) any waiver or recognition of regulatory exception.

If the Institution applies for the Secretary's approval of a substantial change, it must show good cause for making any such substantial change and, in the case of any change described in (a) through (d), the Institution must demonstrate that it has the financial and administrative resources necessary to assure the Institution's continued compliance with the

standards of financial responsibility (34 CFR 668.15) and administrative capability (34 CFR 668.16).

Reasons and Special Conditions of Provisional Certification

Reason of Provisional Certification

The institution's recertification application was not received by the reapplication deadline of 12/31/2001. Therefore, the Department has decided to grant the institution provisional certification for a period not to exceed 06/30/2008 in which to demonstrate that the institution satisfies the standards of financial stability and administrative capability

Application for Recertification

Upon completion of the period of provisional certification, if the Institution wishes to apply for recertification to participate in the Title IV, HEA programs, the Institution must submit a completed Application for Approval to Participate in Federal Student Financial Aid Programs, together with all required supporting documentation, no later than March 31, 2008.

Notwithstanding any paragraph above, the provisional certification ends upon the Department's notification to the Institution of the Department's decision to grant or deny a six year certification to participate in the Title IV, HEA programs.

GENERAL TERMS AND CONDITIONS

1. The Institution understands and agrees that it is subject to and will comply with the program statutes and implementing regulations for institutional eligibility as set forth in 34 CFR Part 600 and for each Title IV, HEA program in which it participates, as well as the general provisions set forth in Part F and Part G of Title IV of the HEA, and the Student Assistance General Provisions regulations set forth in 34 CFR Part 668. *The recitation of any portion of the statute or regulations in this Agreement does not limit the Institution's obligation to comply with other applicable statutes and regulations.*

(14) It will not provide, nor contract with any entity that provides, any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any persons or entities engaged in any student recruiting or admission activities or in making decisions regarding the awarding of student financial assistance, except that this requirement shall not apply to the recruitment of foreign students residing in foreign countries who are not eligible to receive Federal Student Assistance. About the Hungarian Accreditation Committee The HAC's First Eight Years in Numbers

About the Hungarian Accreditation Committee

The Hungarian Accreditation Committee operates since 1992 and was formally established by Hungary's first Higher Education Act in 1993. The HAC is an independent professional organization and an independent legal entity. It is financed through Parliament in a separate chapter of the annual budget, channelled through the Ministry of Education. The HAC is responsible for evaluating and accrediting the quality of teaching and research at higher education institutions in Hungary, whereby it states its opinion to the Minister of Education (who must publish any dissenting decision). The HAC accredits both programs and institutions.

The HAC's 30 full members are delegated by higher education institutions, research institutes and professional organizations. They may not be civil servants or rectors. Additional, non-voting members may be called on to assure the representation of all major disciplines, and to include one representative from the National Student Organization. The HAC has numerous committees and a pool of over 500 external experts. The HAC Secretariat works with a staff of 15 program officers (some of them part-time) and eleven administrators. The HAC has an International Advisory Board. The HAC's first president was elected honorary president in January 2000 and is in charge of the committee's foreign relations.

The HAC upholds a variety of links with foreign and international higher education and quality assurance organizations and projects (INQAAHE, ENQA, EUA, EAIR, Phare Multi-Country Programs, CHEEC, EURASHE, CHEPS, IMHE, UNESCO/CEPES and others). The HAC former and current presidents and program officers are involved in a number of international activities.

In 2000, the HAC and its role in Hungary's quality culture have been evaluated by a team of international experts. Their report has been published.

Since October 2000, Hungarian higher education institutions are submitting their annual internal quality reports to the HAC. These form the basis for future accreditation.

The HAC evaluates

- universities and colleges (with special regulations for church-run and private institutions applying for state recognition) every eight years, whereby in addition to the institutions' management and infrastructure all degree programs are also assessed (self-evaluation, peer visit and subsequently published report)
- new degree programs and
- national qualification requirements (issued as government decrees)
- doctoral schools, specialized postgraduate programs, and 2-year accredited postsecondary vocational programs at HEIs with regard to the discipline in which a university may launch them
- new universities or colleges applying for operation
- new faculties applied for by colleges and universities
- applications for license of foreign higher education institutions
- credit system regulations
- draft international agreements on diploma recognition and equivalence
- and since the 2000 amendment to the HE Act: states its opinion regarding the appointment
