RE: Appeal of the Accreditation Committee Decision on the Residency Program in General Surgery - University of Western Ontario

Dear Dr. Kronick:

This letter is to advise you of the action taken by the Accreditation Committee following the reconsideration of the survey report of the residency program in general surgery. Following careful consideration of all the information available, it was the decision of the Accreditation Committee that the accreditation status of this program be changed to **PROVISIONAL APPROVAL with a special survey.**

The specific weaknesses identified in this program have been outlined in the survey report and the previous letter to the University, and it is expected that the Residency Program Committee will give careful attention to the correction of these weaknesses. In changing its decision, the Accreditation Committee remains concerned that there are serious weaknesses in the program that must be corrected.

The Accreditation Committee has authorized a special on-site survey of this program. This special survey will be arranged by the College in consultation with your office at such time as you feel the deficiencies of the program have been corrected, but must be conducted before **June 30, 2003**. Should you consider that an earlier review of this program is desirable, please let me know at least six months in advance so that appropriate arrangements can be made.

Sincerely,

Nadia Z. Mikhael, MD, FRCPC, FCAP

**U.S. DEPARTMENT OF EDUCATION
OFFICE OF STUDENT FINANCIAL ASSISTANCE PROGRAMS
INSTITUTIONAL PARTICIPATION & OVERSIGHT SERVICE**

**FOREIGN SCHOOL
PROGRAM PARTICIPATION AGREEMENT**
[PROVISIONAL APPROVAL]

Effective Date of Approval: The date on which this Agreement is signed on behalf of the Secretary of Education
Approval Expiration Date: December 31, 2002
Reapplication Date: September 30, 2002

Name of Institution: University of Western Ontario (The)

Address of Institution: 1151 Richmond Street
London
Ontario, Canada N6A 3K6

Office of Postsecondary Education Identification Number: 00844600

The execution of this Agreement by the Institution and the Secretary is a prerequisite to the Institution's initial or continued participation in any Title IV, HEA Program.

The postsecondary educational institution (Institution) listed above, referred to hereafter as the "Institution," and the United States Secretary of Education, referred to hereafter as the "Secretary," agree that the Institution may participate in those student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs) indicated under this Agreement and further agrees that such participation is subject to the terms and conditions set forth in this Agreement. As used in this Agreement, the term "Department" refers to the U.S. Department of Education.

SCOPE OF COVERAGE

This Agreement applies to all locations of the Institution as stated on the most current **ELIGIBILITY AND CERTIFICATION APPROVAL REPORT** issued by the Department. This Agreement covers the Institution's eligibility to participate in the following listed Title IV, HEA program, and incorporates by reference the regulations cited.

- **FEDERAL FAMILY EDUCATION LOAN PROGRAM**, 20 U.S.C. 1071 *et seq*; 34 CFR Part 682.

PROVISIONAL CERTIFICATION

This provisional certification is granted for a limited period to permit the Institution to participate in the Title IV, HEA Programs referenced in this Agreement. During the period of provisional certification, the participation of the Institution will be subject to revocation for cause. Cause for revocation includes, without limitation, a failure to comply with any provision set forth in this Agreement, a violation of Department regulations deemed material by the Department, or a material misrepresentation in the material submitted to the Department as part of the Institution's application process for this certification. The Department in its sole discretion may provide the Institution with an opportunity to cure any such failure, may place the Institution on reimbursement funding pending a decision regarding revocation of this Agreement by a designated Department official, or may suspend the participation of the Institution pending a decision by the Department regarding revocation of this Agreement. In the event the Department chooses to revoke this Agreement and the Institution's participation in the Title IV, HEA programs, the Institution will have the right to show cause why this Agreement should not be revoked by

presenting its objections to the designated Department official in writing. The institution agrees that this opportunity to show cause, and not the procedures in 34 CFR 668 subpart G, shall be the sole administrative appeal regarding such revocation. The decision by the designated Department official will constitute the final agency action.

Special Requirements for Substantial Changes Made During Term of Provisional Certification

Any institution, whether provisionally certified or generally certified, must apply for and receive approval by the Secretary of any substantial change (as hereinafter identified) before it may award, disburse or distribute Title IV, HEA funds based on the substantial change. Substantial changes generally include, but are not limited to: (a) establishment of an additional location; (b) change in ownership, merger or change of type of institution (such as conversion from proprietary to private nonprofit); (c) increase in the level of academic offering beyond those listed in the Institution's Eligibility and Certification Approval Report (ECAR); (d) addition of any nondegree or short-term training program that is not within the immediate scope of programs listed in the ECAR; (e) change in the form of educational measurement; (f) change of State authorizing agency or of primary accrediting agency; or (g) any waiver or recognition of regulatory exception.

If the Institution applies for the Secretary's approval of a substantial change, it must show good cause for making any such substantial change and, in the case of any change described in (a) through (d), the Institution must demonstrate that it has the financial and administrative resources necessary to assure the Institution's continued compliance with the standards of financial responsibility (34 CFR 668.15) and administrative capability (34 CFR 668.16).

Reasons and Special Conditions of Provisional Certification

Provisional Recertification

The institution's recertification application was not received in time to be recertified by the statutory deadline of July 23, 1997; therefore, the Department has decided to grant the institution provisional certification for a period not to exceed December 31, 2002 in which to demonstrate that it satisfies the standards of financial stability and administrative capability.

Additional Conditions

The University of Western Ontario's Program Participation Agreement includes medical education programs leading to the M.D. degree but does not extend to the institution's post-graduate medical programs. The National Committee on Foreign Medical Education and Accreditation (NCFMEA) consists of a panel of medical experts appointed by the U. S. Secretary of Education to review foreign school accreditation standards. For Canadian medical education programs that are approved by Liaison Committee on Medical Education (LCME) and lead to the M.D. degree, NCFMEA has determined that Canada has medical school accreditation standards that are comparable to those of U.S. medical schools. However, the NCFMEA has not extended its approval to any post-graduate medical programs. Therefore, the institution does not have the authority to obligate funds under the FFEL Program for U.S. students attending the post-graduate medical programs.

Grant or Denial of Full Certification

Upon completion of the period of provisional certification, if the Institution wishes to apply for recertification to participate in the Title IV, HEA programs, the Institution must submit a completed Application for Institutional Participation (ED Form E40-34P), together with all required supporting documentation, no later than September 30, 2002.

Notwithstanding any paragraph above, the provisional certification ends upon the Department's notification to the Institution of the Department's decision to grant or deny a four year certification to participate in the Title IV, HEA Programs.

GENERAL TERMS AND CONDITIONS

1. The Institution understands and agrees that it is subject to and will comply with the program statutes and implementing regulations for institutional eligibility as set forth in 34 CFR Part 600 and for each Title IV, HEA Program in which it participates, as well as the general provisions set forth in Part F and Part G of Title

IV of the HEA, and the Student Assistance General Provisions regulations set forth in 34 CFR Part 668. *The recitation of any portion of the statute or regulations in this Agreement does not limit the Institution's obligation to comply with other applicable statutes and regulations.*

2. The Institution acknowledges and agrees that 34 CFR Part 602 requires legal authorization and approval of the Institution by the country's authorized agency, commission, or statutory body and those agencies and the Secretary may share or report information to one another about the Institution without limitation.
3. The Institution certifies that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by its country's government or by any approving agency as defined at 34 CFR Part 85, §§85.105 and 85.110.

**Selected Provisions From
GENERAL PROVISIONS REGULATIONS, 34 CFR PART 668**

By entering into this Program Participation Agreement, the Institution agrees that:

1. It will comply with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA, including the requirement that the institution will use funds it receives under any Title IV, HEA program and any interest or other earnings thereon, solely for the purposes specified in and in accordance with that program;
2. It will not request from or charge any student a fee for processing or handling any application form, or data required to determine a student's eligibility for, and amount of, Title IV, HEA program assistance;
3. It will establish and maintain such administrative and fiscal procedures and records as may be necessary to ensure proper and efficient administration of funds received from the Secretary or from students under the Title IV, HEA programs, together with assurances that the institution will provide, upon request and in a timely manner, information relating to the administrative capability and financial responsibility of the institution to—
 - a. The Secretary;
 - b. The Country's regulatory bodies or any other agency for the country or countries in which the institution or any of the institution's branch campuses or other locations are located; and
 - c. A guaranty agency, as defined in 34 CFR part 682, that guarantees loans made under the Federal Stafford Loan, and Federal PLUS programs for attendance at that institution or any of the institution's campuses or other locations.
4. It will comply with the provisions of §668.15 relating to factors of financial responsibility;
5. It will comply with the provisions of §668.16 relating to standards of administrative capability;
6. It will submit reports to the Secretary and, in the case of an institution participating in the Federal Family Education Loan (Federal Stafford Loan and Federal PLUS) Programs to the holders of loans made to the students with U.S. citizen or eligible noncitizen status studying in that institution under this program at such times and containing such information as the Secretary may reasonably require to carry out the purpose of the Title IV, HEA programs;
7. It will not provide any statement to any student or certification to any lender under the Federal Stafford Loan or Federal PLUS Program that qualifies the student for a loan or loans in excess of the amount that the student is eligible to borrow in accordance with §§425(a), 428(a)(2), 428(b)(1)(A) and (B), and 428H of the HEA;
8. It will comply with the requirements of Subpart D of 34 CFR §§668.43 and 44 concerning institutional and financial assistance information for students and prospective students;
9. In the case of an institution that advertises job placement rates as a means of attracting students to enroll in the institution, it will make available to prospective students, at or before the time that those students apply for enrollment, the most recent available data concerning employment statistics, graduation statistics, and any other information necessary to substantiate the truthfulness of the advertisements;
10. In the case of an institution seeking to participate for the first time in the Federal Stafford Loan, or Federal PLUS Program, the institution has included a default management plan as part of its application under §668.12 for participation in those programs and will use the plan for at least two years from the date of that application.
11. In the case of an institution that changes ownership that results in a change of control, or that changes its status as a main campus, or an additional location, the institution will, to participate in the Federal Stafford Loan and Federal PLUS Programs, develop a default management plan for approval by the Secretary and implement the plan for at least two years after the change in control or status.
12. The Secretary, guaranty agencies, and lenders as defined in 34 CFR Part 682, the country's authorized government agencies that legally authorize institutions and branch campuses or other locations to provide the

postsecondary education, have the authority to share with each other any information pertaining to the institution's eligibility for or participation in the Title IV, HEA programs or any information on fraud and abuse.

13. It will not impose any penalty, including, but not limited to, the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities or the requirement that the student borrow additional funds for which interest or other charges are assessed, on any student because of the student's inability to meet his or her financial obligations to the institution as a result of the delayed disbursement of the proceeds of a Title IV, HEA program loan due to compliance with statutory and regulatory requirements of or applicable to the Title IV, HEA programs, or delays attributable to the institution.

14. It will not provide, or contract with any entity that provides, any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any persons or entities engaged in any recruiting or admission activities or in making decisions regarding the awarding of student financial assistance, except that this requirement shall not apply to the recruitment of foreign students from foreign countries who are not eligible to receive Federal Student Assistance. This provision does not apply to the giving of token gifts to students or alumni for referring students for admission to the institution as long as: the gift is not in the form of money, check, or money order, nor more than one such gift is given to any student or alumnus, and the gift has a value of not more than \$25.

15. It will meet the requirements established pursuant to Part H of the Title IV of the HEA by the Secretary, and the country's legally authorized agencies.

16. It will comply with the refund policy established in 34 CFR Part 668.22.

17. It is liable for all improperly administered funds received or refunded under the Title IV, HEA program, including any funds administered by a third-party servicer.

18. The Institution is required to compile and make available information about security policies and crime statistics in accordance with 34 CFR §668.47 and §485(f) of the HEA.

19. a. This Agreement becomes effective on the date that the Secretary signs the Agreement.

b. This Agreement supersedes any prior Agreement between the Secretary and the Institution.

20. a. With respect to an institution that has been certified *other than under a provisional certification*--

(1) Except as provided in paragraphs b. and c. of this section, the Secretary terminates this Agreement through the proceedings in Subpart G of 34 CFR §668.

(2) An Institution may terminate this Agreement.

(3) If the Secretary or the Institution terminates this Agreement under paragraph (a) of this section, the Secretary establishes the termination date.

b. With respect to an institution that has been *provisionally certified*, the Secretary revokes a provisional certification through the proceedings in 34 CFR §668.13(f).

c. An Institution's program participation agreement automatically expires on the date that--

(1) The Institution changes ownership that results in a change in control as determined by the Secretary under 34 CFR Part 600, or

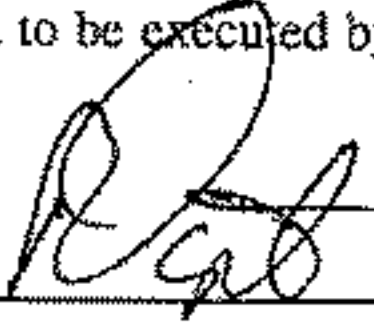

(2) The Institution's participation ends under the provisions of 34 CFR §668.26(a)(1), and (2).

(a) An Institution's program participation Agreement no longer applies to or covers a location of the Institution as of the date on which that location ceases to be a part of the participating Institution.

The execution of this Agreement by the Institution and the Secretary is a prerequisite to the Institution's initial or continued participation in any Title IV, HEA Program.

The postsecondary educational institution listed above, referred to hereafter as the "Institution," and the United States Secretary of Education, referred to hereafter as the "Secretary," agree that the Institution may participate in those student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs) indicated under this Agreement and further agrees that such participation is subject to the terms and conditions set forth in this Agreement. As used in this Agreement, the term "Department" refers to the U.S. Department of Education.

SCOPE OF COVERAGE

This Agreement applies to all locations of the Institution as stated on the most current ELIGIBILITY AND CERTIFICATION APPROVAL REPORT issued by the Department. This Agreement covers the Institution's eligibility to participate in each of the following listed Title IV, HEA programs, and incorporates by reference the regulations cited.

- **FEDERAL FAMILY EDUCATION LOAN PROGRAM**, 20 U.S.C. 1071 et seq; 34 CFR Part 682.

Additional Considerations

It is important to note that Institution's PPA does not extend to U.S. students who are enrolled at the Institution under the mature student provision. In order for U.S. students to be eligible to receive federal financial assistance, they must possess a secondary school completion credential or its equivalent. (See 34 CFR 600.54) Students enrolled under the mature provision do not satisfy this requirement. Therefore, the institution does not have the authority to obligate funds under the Federal Family Education Loan (FFEL) Program for current or new U.S. students enrolled under the mature student provision.

GENERAL TERMS AND CONDITIONS

1. The Institution understands and agrees that it is subject to and will comply with the program statutes and implementing regulations for institutional eligibility as set forth in 34 CFR Part 600 and for each Title IV, HEA program in which it participates, as well as the general provisions set forth in Part F and Part G of Title IV of the HEA, and the Student Assistance General Provisions regulations set forth in 34 CFR Part 668.
The recitation of any portion of the statute or regulations in this Agreement does not limit the Institution's obligation to comply with other applicable statutes and regulations.
2. The Institution acknowledges and agrees that 34 CFR Part 602 requires legal authorization and approval of the Institution by the country's authorized agency, commission, or statutory body and those agencies and the Secretary may share or report information to one another about the Institution without limitation.
3. The Institution certifies that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from coverage transactions by its country's government or by any approving agency as defined at 34 CFR Part 85, §§85.105 and 85.110.

SELECTED PROVISIONS FROM GENERAL PROVISIONS REGULATIONS, 34 CFR PART 668

By entering into this Program Participation Agreement, the Institution agrees that:

(ii) The Country's regulatory bodies or any other agency for the country or countries in which the institution or any of the institution's campuses or other locations are located;

(7) It will not provide any statement to any student or certification to any lender under the Federal Stafford Loan or Federal PLUS Program that qualifies the student for a loan or loans in excess of the amount that the student is eligible to borrow in accordance with §§425(a), 428(a)(2), 428(b)(1)(A) and (B), and 428H of the HEA;
